

# Computer Program

at Scadding Court Community Centre  
707 Dundas St. West, Toronto, ON M5T 2W6

## Do you want to learn - How to use a computer?

- Explore the internet and search the web
- Send and receive e-mail
- Learn to create and edit documents using Microsoft Word
- Typing skills
- And more...

Computer classes are held twice per month and include an afternoon class and an evening class.

All classes are **FREE** and are 1.5 hours in length. The class is open for students at a beginner level and higher. The teacher will advance every student using a client-centered approach.

**Different levels of computer abilities can be accommodated (basic to intermediate)**

For information and to register  
please contact 416 392 0335. ext. 243
