

Eye and Ear Screening Clinic for Seniors

Scadding Court, In partnership with the Ophthalmology and Audiology Departments of Mount Sinai Hospital, offers free eye and ear screening for seniors (age 65 and over) during the summer and fall of each year. Doctors screen seniors for hearing loss and for eye diseases such as glaucoma. They also provide referrals for treatment at Mount Sinai Hospital. They do NOT offer prescriptions for purchasing glasses. Cantonese and Mandarin interpretation is provided.

For more information or to find out the screening dates, please call
